c. Location. Locations will be determined based upon each unit's ability to support midshipmen training and the status of the pre-and post-deployment cycles.

2. General. This training is offered as a first class cruise for USNA and NROTC midshipmen. Due to the community stresses, leadership, and self-discipline in a demanding environment, including instruction and practical application in tactics, survival techniques, and movement techniques, this demanding course is oriented toward serious applicants only.

3. Selection and Assignment. The assignment of EOD and SPECWAR cruises will be a coordinated effort between NSTC, USNA, and EOD and SPECWAR community managers. Female midshipmen are authorized to be assigned to EOD cruises.

SECTION VI

MIDSHIPMAN FIRST CLASS AND THIRD CLASS NROTC
NURSE CORPS TRAINING 16

1. Data

a. Purpose. To provide first class NROTC nurse option midshipmen indoctrination orientation, and training in selected major continental United States (CONUS) Navy medical treatment facilities (MTF), and to provide third class NROTC nurse option midshipmen indoctrination and training in afloat Navy medical departments. Midshipmen will be assigned to a cruise of 3 weeks in duration.

c. Location. Location will be mutually arranged by NSTC and Commander, Naval Air Force, U.S. Pacific Fleet (COMNAVAIRPAC), and Commander, Naval Air Force Atlantic (COMNAVAIRLANT). NROTC and USNA midshipmen may be assigned to any available squadron.

2. General. COMNAVAIRPAC and COMNAVAIRLANT must advise NSTC, USNA, and the aviation midshipmen embarkation and debarkation coordinators, copy to cognizant commanders, of the embarkation and debarkation ports and squadron quotas. The aviation midshipmen embarkation and debarkation coordinators will assign NROTC midshipmen to squadrons and notify participating units at least 2 weeks prior to embarkation. Aviation midshipmen embarkation and debarkation coordinators will provide billets to the USNA summer training office at least 2 weeks prior to embarkation. USNA will assign USNA midshipmen to available squadrons.

3. Training. Commanders will maximize fleet aviation exposure for midshipmen aspiring to be naval aviators and naval flight

officers. Midshipmen first class volunteers must have been physically qualified for naval aviation and possess a documented flight physical. All midshipmen participating in orientation flights or flights during summer cruise must complete appropriate midshipmen non-aircrew naval aviation survival training program training as required by reference (a).

SECTION VIII

MIDSHIPMAN ACADEMIC YEAR TRAINING 16

1. Data

a. Purpose. To provide fleet cruise training in Atlantic Fleet and USPACFLT ships during the academic year for USNA and NROTC midshipmen who are unable to participate in cruises during the summer.

b. Dates. Dates will be mutually arranged between COMNAVSURFLANT, COMTHIRDFLT, and NSTC. Academic year training cruises are generally for December graduates and occur in January or February annually, but other dates will be considered on a case-by-case basis.

c. Loading. Academic year training will be limited to midshipmen with extenuating circumstances only. Academic year requests will require NSTC approval.

d. Location. Location will be mutually arranged between COMNAVSURFLANT, COMTHIRDFLT, and NSTC on a case-by-case basis.

2. Embarkation and Debarkation. Specific embarkation and debarkation ports, dates and quotas will be as arranged between COMNAVSURFLANT, COMNAVSURFPAC, and NSTC on a case-by-case basis.

3. General. Midshipmen embarkation and debarkation teams are disestablished during the academic year. Travel to and from ports of embarkation and debarkation will be arranged by the NROTC units. NROTC units are authorized direct liaison with ships to arrange detailed reporting instructions for assigned midshipmen.

SECTION IX

MIDSHIPMAN FIRST CLASS AND SECOND CLASS
MARINE CORPS TRAINING 16

1. Data

a. Purpose. To screen and train midshipmen first class for suitability for commissioning in the United States Marine Corps (USMC).

b. USMC Officer Candidate School (OCS) (6-week course). USMC OCS for NROTC midshipmen is 6 weeks in length at Marine Corps Base, Quantico, VA. NROTC midshipmen desiring a commission as a second lieutenant in the USMC are required to attend OCS prior to commissioning.

SECTION X

FOREIGN EXCHANGE TRAINING OF MIDSHIPMEN (FOREXTRAMID) 16

1. Data

a. Purpose. To promote professional and cultural exchange between the U.S. Navy and foreign navies through the exchange of midshipmen first class and their foreign counterparts (midshipmen or junior officers as appropriate) as discussed in reference (b), chapter 10. FOREXTRAMID selected midshipmen will be assigned to a cruise of approximately 3 weeks in duration.

b. Dates. As mutually agreed upon by NSTC, USNA, participating NROTC units, and United States Defense Attaché Office (USDAO) with naval missions to partner nations. Numbered fleet commanders are authorized direct liaison with the USDAOs for the reverse exchange.

c. Loading. Actual loading will depend on availability of funding and partner nation participation. NSTC will coordinate with USNA Director of International Programs to allocate available exchanges for both NROTC and USNA midshipmen first class. Assignment to participating nations will be prorated based on invitations accepted.

d. Assignment. NSTC will administer the FOREXTRAMID program for NROTC and USNA midshipmen. The assignment of foreign midshipmen to U.S. Navy cruises will be coordinated via direct liaison between participating countries' navies, USDAOs, and appropriate numbered fleet commanders. Female midshipmen are authorized to be assigned to FOREXTRAMID cruises with the concurrence of NSTC and participating nations.

e. Location. Foreign midshipmen or junior officers will normally be assigned to available ships. Fleet commanders and USDAOs are authorized direct liaison in coordinating changes in fleets for foreign midshipmen or junior officers.

f. Japanese Maritime Self-Defense Force (JMSDF). The U.S. Navy and JMSDF midshipman exchange program allows NROTC midshipmen first class to visit the Japanese OCS and participate

in a cruise aboard a JMSDF ship. Midshipmen will spend 10 to 14 days with the JMSDF in conjunction with a western Pacific cruise. Dates will be issued by COMSEVENTHFLT.

2. General

a. The exchange program provides midshipmen an opportunity to enhance their professional development by participating in the afloat operations of foreign navies and to enhance relations between the United States and the nation(s) to which midshipmen are assigned.

b. NSTC will coordinate with the Office of the Chief of Naval Operations (OPNAV) Director of International Engagement (N52) to develop the list of invitational countries. Each spring, NSTC will release the annual FOREXTRAMID message containing the invitation to be extended to foreign navies from the Chief of Naval Operations along with accompanying message guidance to applicable USDAOs. USDAOs will respond to NSTC and USNA, with an information copy to OPNAV (N52) and OPNAV Total Force Manpower, Training, and Education Requirements Division (N12), to allow adequate time for arrangement of transportation, procurement of visas, etc. NSTC, USNA, fleet commanders, individual NROTC units, USDAOs, and naval missions are authorized direct liaison to facilitate handling details involved, including schedule changes and ship substitutions, and are guided by the provisions of reference (b), chapter 10.

c. Individual training programs for both U.S. and foreign midshipmen will emphasize professional training, but may also include cultural and social facets. The concepts and details of the training program prepared for U.S. midshipmen will be used for training foreign midshipmen or junior officers embarked aboard U.S. ships. Numbered fleet commanders must provide coordination and training for foreign midshipmen and nominate sufficient billets to accommodate them.

SECTION XI

MOUNTAIN WARFARE LEADERSHIP SCHOOL TRAINING 16

1. Data

a. Purpose. To develop confidence by exposing Marine option midshipmen second class to the mental and physical challenges of operating in a mountainous environment.

b. Duration. Marine Corps Mountain Warfare Training Center (MCMWTC) assigned Marine option midshipmen second class will receive 1 to 2 weeks of training.

<u>Dates</u>	<u>Loading</u>
10 Jul - 19 Jul	275

c. Location. MCMWTC, Bridgeport, CA.

2. General. This training is offered in lieu of a second class cruise for NROTC Marine option scholarship midshipmen. The course stresses leadership and self-discipline in a demanding environment, including instruction and practical application in tactics, survival techniques, movement techniques, shelter and tent group planning, etc. The course is physically demanding and is oriented toward infantry operations.

3. Coordination. NSTC will coordinate the training program and arrange the details of the program with MCMWTC. Commanding General (CG), Training and Education Command (TECOM) has granted direct liaison authority between NSTC and MCMWTC to facilitate this training. TECOM will be kept informed of all details as this evolution is planned and executed.

SECTION XII

USNA PROFESSIONAL TRAINING FOR MIDSHIPMEN (PROTRAMID) 16
FOR MIDSHIPMEN SECOND CLASS

1. Data

a. Purpose. To provide aviation, submarine, surface, and USMC indoctrination for USNA midshipmen second class. PROTRAMID assigned midshipmen will receive 4 weeks of training.

a. Basic naval aviation orientation and training at either Norfolk, VA, or San Diego, CA, as arranged by COMNAVAIRLANT and COMNAVAIRPAC.

b. Submarine orientation and training at Kings Bay, GA, or San Diego, CA, as arranged by COMSUBLANT and COMSUBPAC.

c. USMC orientation and training at Camp Pendleton, CA, and Camp Lejeune, NC, as arranged by CG, United States Marine Corps Forces, Pacific (MARFORPAC), and CG, U.S. Marine Corps Forces Command (MARFORCOM). Second Marine Expeditionary Force will coordinate support for training conducted at TBS.

d. Surface orientation and training at Norfolk, VA, or San Diego, CA, as arranged by COMNAVSURFLANT and COMNAVSURFPAC.

OPNAVNOTE 1530
12 Apr 2016

COMTHIRDFLT will identify and task ships to support underway surface warfare orientation, not to conflict with midshipmen pacific training ship assignments of section III.

3. Transportation. USNA officer in charge of PROTRAMID East or West will arrange transportation between training sites as required.

4. Military Liaison Officers. USNA will provide military liaison officers at training locations.

SECTION XIII

NROTC CAREER ORIENTATION AND TRAINING FOR MIDSHIPMEN 16
(CORTRAMID 16)

1. Data

a. Purpose. To provide aviation, submarine, surface, and USMC indoctrination and training for NROTC midshipmen. CORTRAMID assigned midshipmen will be assigned to 4 weeks of training.

b. Dates

West Coast	18 May - 17 Jun
East Coast	13 Jul - 12 Aug
